Good Afternoon Tanya,

It was a pleasure speaking with you today. We are looking to secure a weekly Tuesday 6:30 PM to 8 PM time slot on the baseball field at St. Johns Park. The field would be used for practice only and wouldn't need to be lined. We would only be having one 10 year old youth baseball team using it at the requested time. The dates we would be looking for are.

Tuesday's
April 6,13,20,27
May 4,11,18,25
June 1,8,15,22,29
July 6, 13

Wednesday April 7th 6:30 PM to 8 PM and Saturday April 10th 10 AM to 12 PM would be the only other two days we would like.

We will help get the field in shape over the next few weeks. Racking, Picking up litter on a weekly basis on and around the field area. Being a youth baseball team we are on a very tight budget, so whatever we can workout with the city would be great. We can also produce insurance with the City of Romulus named as an additional insured. We look forward to hearing back from you.

Warm Regards,

Re: Demolition List 20-01 (Tabled Properties)

A public hearing was held on February 8, 2021 for the purpose of hearing objections to demolition and/or removal of debris on the properties described in Demolition List 20-01. At that hearing and by resolution of City Council (Resolution No. 21-042) at the Regular Council Meeting held thereafter, the following properties were tabled for 60 days:

1. 11398 Harrison, (single-family residential structure)
2. 16447 Middlebelt, (commercial structure (commonly known as Roman Hall))
3. 11528 Whitehorn, (fire damaged single-family residential structure, garage, shed)

Robert McCraight, Director of Public Services & Economic Development, has submitted his status report on the compliance efforts of owners and/or interested parties of the stated properties.

The agenda item is a continuation of the request by the Department of Building & Safety at the 2/8/2021 Regular Council Meeting and that is for Council to approve the demolition and removal of all debris for the following properties from Demolition List 20-01: 11398 Harrison, 16447 Middlebelt, and 11528 Whitehorn.

Department of Public Services
MEMORANDUM

TO: Honorable Romulus City Council

FROM: Robert McCraight, Director, Economic Development and Dept. of Public Services

DATE: 4/8/21

SUBJECT: Demolition list 20-01, tabled items

Three structures were granted extensions by council on 2/8/21 for 60 days (Resolution 21-042).

The following is a status update for each site:

1. 11398 Harrison

Dilapidated single family residential structure which is currently zoned M-1, Light Industrial, has been vacant and legally unoccupiable since 11/2005 and has subsequently lost its non-conforming status. The subsequent court case filed by the owner against the City of Romulus has been dismissed.

2. 16447 Middlebelt

Commercial structure ('Roman Hall') built in the 1960's without any city approvals. I met with the property owner and design professional to discuss options and process. Owner has decided to complete the demolition of the substandard structure on their own.

3. 11528 Whitethorn

Fire damaged single family residential structure. It appears some debris has been removed from the remaining existing fire damaged structure. However, no significant attempts to make proper repairs have been completed. The owner of property was directed to have a licensed contractor submit application to the Department of Building & Safety for permit in order to make repairs to the structure. Such application would also need a structural analysis completed by a structural engineer. As of this date, no such application has been submitted.
