I concur with the recommendation of Kathy Hood, Assistant Director of Public Works and Steve Hitchcock, City Attorney and respectfully request Council adopt the attached Annual Community Resolution Accepting Long-Term Maintenance of Storm Water Management System in accordance with Wayne County Ordinance requirements for the July 1, 2022 to June 30, 2023 fiscal year.

Interoffice Memorandum

TO: Mayor Robert A. McCraight

FROM: Kathy Hood - Assistant DPW Director

CC: Roberto Scappaticci – DPW Director

DATE: June 21, 2022

SUBJECT: Annual Resolution for Maintenance of Storm Water Management Systems
Wayne County Storm Water Ordinance

Consistent with ordinance, Wayne County Department of Public Service requires the local community to assume maintenance responsibilities of storm water management systems in the event that a property owner fails to perform the necessary activities. For all new developments, this requirement becomes a condition of the Wayne County permit. As opposed to taking each permit to City Council for approval, the County allows an annual resolution accepting the jurisdiction of each site in community as the long-term storm water maintenance agreements are executed.

The attached resolution is similar to the one Council approved in the past and will cover the next fiscal year's constructed sites in the City of Romulus.

Should you have any questions or concerns regarding this issue, please feel free to contact me.
