3. Discussion: City of Romulus Retiree Healthcare

H.R. Director Kevin Losen led the discussion and gave an overview of the study session's purpose. Attorney Hitchcock presented a PowerPoint that explains Medicare coverage of the city's current plan and the proposed Medicare Plus Blue Medicare Advantage Plan through Blue Cross Blue Shield (BCBS). The BCBS Medicare Advantage Plan will provide the same coverage that the City's retirees currently have with virtually the same prescription tiers. Whatever out-of-pocket expenses that retirees currently pay, such as deductibles and co-pays, they will continue to pay in the proposed Medicare Advantage Plan. The new insurance plan will save the city approximately \$700,000.00 at current premium costs and enrollment, resulting in a 35% savings on the overall cost of retiree health care.

4. Public Comment

A resident inquired about the current Medicare coverage vs the proposed coverage on the Medicare Advantage Plan.

A resident inquired about the timeframe the retirees will receive their new medical card if the City switches to the new plan.

INTEROFFICE MEMORANDUM

TO: The Honorable Romulus City Council
FROM: Mayor Robert A. McCraight
SUBJECT: Medicare Advantage Plan – Post 65 Retiree Health Care
DATE: 9/28/2023

I concur with the recommendation of Kevin Losen, Human Resources Director, and Steve Hitchcock, Legal Counsel and respectfully request that Council authorize the Mayor or Human Resources Director to enter into a contract with BlueCross BlueShield, beginning January 1, 2024, to provide a group Medicare Advantage Plan to replace the current supplemental plan for all eligible City and Court retirees.

Motion by _____, supported by _____, to concur with the administration and authorize the Mayor or Human Resources Director to enter into a contract with BlueCross BlueShield, beginning January 1, 2024, to provide a group Medicare Advantage Plan to replace the current supplemental plan for all eligible City and Court retirees.

CITY OF ROMULUS
HUMAN RESOURCES

MEMORANDUM

TO: Mayor Robert A. McCraight

FROM: Kevin B. Losen, Director of Human Resources 

DATE: September 27, 2023

SUBJECT: Post-65 Retiree Health Care

Dear Mayor,

As you are aware, our insurance broker, Marsh McLennan Agency, has recently notified the Human Resources Department that moving our Medicare eligible retirees from their current insurance coverage to the Medicare Advantage Plan will save the City in excess of \$700,000 annually.

This change will continue to provide virtually the same or better coverage to this retiree population with zero co-pays. Retirees would also maintain the same prescription tiers they have currently and have additional available savings by using a preferred pharmacy.

We had an informational meeting with retirees on September 20, 2023 and we participated in a Study Session with City Council on September 25, 2023. We have received very positive feedback overall regarding the proposed changes.

If you concur, I am requesting that this matter be placed on the agenda for approval by Council on October 2, 2023. I am unable to attend but Assistant H.R. Director Angela Bennett has agreed to be present in case there are any more questions from Council. We must sign the contract before October 6, 2023 in order to implement the changes on January 1, 2024.

Thank you for your consideration.

MEMORANDUM

DATE: September 26, 2023
TO: Mayor Robert A. McCraight
FROM: Gary Harris, Purchasing Director
SUBJECT: Piggyback on MiDeal contract #MA190000001154 for Purchase of ten Motorola prep radios from Motorola Solutions

Police Chief Robert Pfannes has requested to purchase ten (10) Motorola prep radios for the total price of \$56,071.30, from Motorola Solutions by Piggybacking on the State of Michigan's MiDeal Contracts #MA 190000001154.

Please be advised that the City is not required to solicit competitive bids for this purchase under the exception to competition clause of the Romulus Purchasing Ordinance which allows for the piggybacking on a contract solicited and awarded by another agency and as further outlined in subsection 39-11(d) (10) of the Ordinance:

"The city's procurement by competitive sealed bids shall be waived and the city may piggyback on an existing extendable contract, where the materials, services or goods in combination with services are purchased from a state or local governmental agency's bid that has been sufficiently advertised and was the subject of sealed bids so that in the opinion of the purchasing director or their designee the procedure meets the intent of competitive sealed bidding under this chapter."

The new radios will be issued to current Ordinance, Animal Control and police personnel to replace the current outdated/non-supported portable prep radios.

It is the recommendation of myself and Police Chief, Robert Pfannes, to proceed with the purchase of these radios. If you concur, please request Council's permission to Piggyback on MiDeal Contract #MA 190000001154 with Motorola Solutions for the purchase of ten (10APX6000) Portable Prep Radios at a cost of \$56,071.30.

If I can be of any further assistance to you regarding this matter, please contact me.

INTEROFFICE MEMORANDUM

TO: The Honorable Romulus City Council
FROM: Mayor Robert A. McCraight
SUBJECT: Piggyback on Dell Midwestern Higher Education Compact
Contract #MHEC-04152022
DATE: September 27, 2023

I concur with the recommendation of Steve Dudek, Technology Services Director, and Gary Harris, Purchasing Director, and respectfully request Council's authorization to piggyback on the Dell Midwestern Higher Education Compact Contract #MHEC-04152022 for the upgrade of the license for the Dell Power Protect Data Manager software for additional backup capacity at a total cost of \$13,985.60.

Victoria Trush, Assistant Finance Director, has verified that funds for the purchase are currently available in the Technology Services Fund, Technology Services Department, Capital Outlay – Machinery & Equipment Expenditure Expense Account #664-228-970.138.

Motion by _____, supported by _____, to concur with the administration and consent to piggyback on the Dell Midwestern Higher Education Compact Contract #MHEC-04152022 for the upgrade of the license for the Dell Power Protect Data Manager software for additional backup capacity at a total cost of \$13,985.60.

MEMORANDUM

DATE: September 26, 2023
TO: Mayor Robert A. McCraight
FROM: Gary Harris, Purchasing Director
SUBJECT: Piggyback on Dell Midwestern Higher Education Compact Contract #MHEC-04152022

Stephen Dudek, Technology Services Director, is requesting to Piggyback on the Midwestern Higher Education Compact via contract MHEC-04152022 to upgrade the license for the Dell Power Protect Data Manager software for additional data backup capacity due to more servers being added to the City's virtual environment.

Please be advised that the City is not required to solicit competitive bids for this purchase under the exception to competition clause of the Romulus Purchasing Ordinance which allows for the piggybacking on a contract solicited and awarded by another agency and as further outlined in subsection 39-11(d)(10) of the Ordinance:

"The city's procurement by competitive sealed bids shall be waived and the city may piggyback on an existing extendable contract, where the materials, services or goods in combination with services are purchased from a state or local governmental agency's bid that has been sufficiently advertised and was the subject of sealed bids so that in the opinion of the purchasing director or their designee the procedure meets the intent of competitive sealed bidding under this chapter."

MHEC is a purchasing collaborative comprised of eleven member states (Michigan being one) from the mid-western United States. MHEC works with and for a variety of stakeholders within and across member states, including higher education system leaders, state policymakers, legislators, and institutional leaders to develop and support best practices, collaborative efforts, and cost-sharing opportunities.

On October 28, 2021, the Midwestern Higher Education Compact (MHEC) published a public solicitation for End User Computing & Peripherals, Device Lifecycle Management, and Associated Services MHEC-RFP-10282021. Upon, meeting all of the requirements of the request for proposals, Dell Technologies was awarded the contract MHEC-04152022. The contract pricing is effective April 15, 2022, through June 30, 2025. Dell's pricing received is extremely competitive and I am confident that the pricing obtained meets the intent of the competitive sealed bidding requirement of our ordinance.

It is the recommendation of Stephen Dudek, Technology Services Director, and myself to proceed with the purchase. If you concur, please request Council's permission to piggyback on the Dell Midwestern Higher Education Compact Contract #MHEC-04152022 for the upgrade of the license for the Dell Power Protect Data Manager software for additional data backup capacity at a total cost of \$13,985.60.

Victoria Trush, Assistant Financial Services Director, has verified that funds for this purpose are currently available in the Technology Services Fund, Technology Services Department, Capital Outlay - Machinery & Equipment Expenditure Expense Account (664-228-970.138).

If I can be of any further assistance to you regarding this matter, please contact me.

Gary Harris
Purchasing Director
