RE: Proposed Ordinance Amendments

Dear Mayor McCraight:

Enclosed is a memorandum from David Greco on the following proposed amendments to City Ordinances:

1. Ordinance 58-30. This ordinance provides penalty for distracted driving caused by attending to personal hygiene, eating, drinking, reading, and use of cell phones or computers.

The use of cell phones or computers are being removed because subsequent to adoption of this ordinance, the State of Michigan adopted a statute that prohibits use of cell phones or computers while driving which preempts local ordinances; and

2. Ordinance 36-360. The City currently has an ordinance that prohibits brandishing a replica gun but not a real gun. The purpose of this amendment is to add real guns to the prohibited guns that can be brandished in the City.

I recommend that Council approve the first reading of both these ordinance amendments.

Very truly yours,

GIARMARCO, MULLINS & HORTON, P.C.

Stephen J. Hitchcock

Memo

To: Mayor Robert McCraight

From: David F. Greco, Esq.

Date: October 30, 2023

Re: Ordinance to Add Sec. 36-360 – *Brandishing Firearm in Public; Applicability; Violation as a Misdemeanor; Penalty* to the Romulus Code of Ordinances

Mayor McCraight,

I have prepared for your review and presentation to the City Council a proposed ordinance to add Sec. 36-360 - *Brandishing Firearm in Public; Applicability; Violation as a Misdemeanor; Penalty*, to the Romulus Code of Ordinances. The purpose of this ordinance is to prohibit “brandishing” of a firearm in the city. The “brandishing” of a firearm pursuant to the ordinance is defined as “to point, wave about, or display in a threatening manner with the intent to induce fear in another person.”

Brandishing a firearm is currently prohibited by *state law*. However, many times when we have clear instances of “brandishing” of a firearm to intimidate and/or threaten individuals within the city limits, and it is not a case that the Wayne County Prosecutor's office approves for prosecution. Since we do not currently have a local ordinance prohibiting this activity, we cannot pursue the charge locally as a misdemeanor in the 34th District Court. This local ordinance will enable the city to pursue this crime locally if there has been a violation within the city limits.

Interestingly, we do have on the books in the city's Code of Ordinances a prohibition against brandishing a “replica” firearm. The passage of this ordinance would enable the city to prosecute cases of brandishing both replica, and *real*, firearms.

If you, your staff or the City Council have any questions or comments regarding this memo and the attached proposed ordinance, do not hesitate to contact me.

RE: Proposed Ordinance Amendments

Dear Mayor McCraight:

Enclosed is a memorandum from David Greco on the following proposed amendments to City Ordinances:

1. Ordinance 58-30. This ordinance provides penalty for distracted driving caused by attending to personal hygiene, eating, drinking, reading, and use of cell phones or computers.

The use of cell phones or computers are being removed because subsequent to adoption of this ordinance, the State of Michigan adopted a statute that prohibits use of cell phones or computers while driving which preempts local ordinances; and

2. Ordinance 36-360. The City currently has an ordinance that prohibits brandishing a replica gun but not a real gun. The purpose of this amendment is to add real guns to the prohibited guns that can be brandished in the City.

I recommend that Council approve the first reading of both these ordinance amendments.

Very truly yours,

GIARMARCO, MULLINS & HORTON, P.C.

Re: Ordinance to Amend *Sec. 58-30 – Distracted Driving*, Romulus Code of Ordinances to eliminate conflicts with State Law

Mayor McCraight,

I have prepared for your review and presentation to the City Council a proposed ordinance to amend *Sec. 58-30 – Distracted Driving* of the Romulus Code of Ordinances. The purpose of this amendment is to eliminate any conflicts with State law.

This specific local ordinance was passed in 2017 at the request of the Romulus Police Department. Many officers in the department issue tickets pursuant to this offense which is a *no points* ticket and is not reported on a person's driving record.

Recently, the Michigan State Legislature amended the Motor Vehicle Code (which the City has already adopted), to specifically prohibit "holding or using a mobile electronic device" while driving. MCL § 257.602b. A violation of this offense *is reported on a person's driving record*. Subsection (7) of MCL § 257.602b provides any local ordinances that conflict with this section are "superseded[ed]" by this new law. Therefore, in order for our police officers to continue to write tickets for violations of this local ordinance, it is necessary for it to be amended to eliminate any language that may be in conflict with the State law. The amendments will also eliminate any confusion at the 34th District Court on how to report violations written pursuant to the local ordinance.

If you, your staff or the City Council have any questions or comments regarding this memo and the attached proposed ordinance, do not hesitate to contact me.

DAVID F. GRECO, ESQ.
